Intermediate	Sri chaitanya jr college(uppal)	93% [2019]
Secondary(High school)	St.mary's High school(Devarakonda)	82% [2017]

PROJECTS

Integrated Online Admission System

This project is an online college website where the students have to attempt an exam in order to get admission.If the student has qualified in the exam he has to upload the necessary certificates. The faculty will prepare the question paper for a specific course and the admin will update the information regarding the college on the website.
